

2011 BREEDERS' SYMPOSIUM – Cancer in dogs

Royal Veterinary College, Sunday 27th November

THE KENNEL CLUB

Making a difference for dogs

The Kennel Club and the Pet Food Manufacturers' Association are pleased to present a Breeders' Symposium at the Royal Veterinary College, North Mymms, Hertfordshire on Sunday 27th November 2011. This symposium is specifically designed for all dog lovers and dog breeders. This year we have chosen a theme which we hope is of considerable interest and, after each presentation, we have allocated time for questions.

PROGRAMME FOR THE DAY

- | | |
|---------------|--|
| 09.30 - 10.00 | Registration and refreshments |
